JUDGMENT

Even though petitioner has alleged that Judges were biased in as much as first prize was awarded to a student from the very same school wherefrom Judges come, the same is not substantiated in this Court. Government Pleader has referred to appeal wherein petitioner has not raised any such contention. The difference in marks in Kerala Nadanam between the petitioner and first prize winner is 13, and in Kuchupudi, first prize winner has secured four marks more than the petitioner. In the circumstances, I do not find any ground to interfere with the award of first prize to other candidates in the two events. W.P. is accordingly dismissed.
